

Jesus Generation.

“..ready to do the will of God at anytime, anywhere!”

National Youth Department

The NYD (National Youth Department) is the Youth Division of the United Pentecostal Church of Great Britain & Ireland. With over 36 youth groups across the British Isles, including young people from all backgrounds and cultures, the NYD supports the youth of the UK in the key areas of their lives. In a world that is increasingly imbalanced we look to help young people achieve a balanced life as they move forward into adulthood. With over 30 years of experience and being a registered charity under the United Pentecostal Church, it is our aim to bring more young people into personal relationship with Jesus Christ so that they can share the good news with others. With a passion for Jesus Christ in our hearts it is our goal to touch every young person in our country with his love.

We are *“a Jesus Generation ready to do the will of God at anytime, anywhere.”*

Jesus Generation: A new breed of young people that are prepared to put Jesus Christ at the centre of their lives and not on the outskirts.

Anytime: At any moment that the Spirit of the Lord directs them they will be obedient to his voice.

Anywhere: No matter where in the world they maybe, they will execute the will of God in their lives.

“These that have turned the world upside down are come hither also” Acts 17:6
